

Clark County Adopt-A-Trail Program

- If you enjoy the wonderful trails and parks in Clark County, then join us as a volunteer with our new partner, the Outside Las Vegas Foundation
- Through OLVF you can now Adopt-a-Trail for your business, friends or loved ones or join others to take a walk with the Vegas Valley Urban Trail Meet-up Group!
- Outside Las Vegas Foundation is committed to a community that enjoys, values and protects Southern Nevada's special outdoor places
- OLVF organizes residents and visitors to lend a hand in taking care of the trails and parks that belong to everyone. Your volunteer time and energy make a difference.
